Prayer Tool Box

Day 3 Supply List

- 1 piece of metallic paper
- 1 piece of Velcro (optional)
- 3 address labels
- 4-5 index cards
- 1 piece of black cardstock
- Tool Box Templates

Day 3 Instructions

1. Cut a notch out of one of the short ends that is 1 inch deep and 2 2/3 inches in from the side.
2. Fold the metallic sheet into thirds so that the notch is at the top.
3. Cut two 8.5-by-3-inch rectangles from the black cardstock.
4. Trace and cut out the Tool Box Templates from black cardstock.
5. Apply glue to the two short sides and one long side of the one of the black rectangles. Adhere it along the bottom edge of the nonmetallic side.
6. Repeat Step 1 with the other black rectangle. Glue along the bottom edge of the middle fold to make a second pocket.
7. Attach an address label to the center of each black pocket. Write *Things to Thank God* on one and *Things to Ask God* on the other.
8. Fold the tool box closed. Glue the handle to the top of the tool box and the corners to each side on the bottom of the box.
9. Place one sticky side of the Velcro dot on the inside of the tab at the top. Stick the opposite side of the Velcro to it. Close the lid and the second Velcro dot will automatically stick to the correct spot on the tool box.
10. Attach the last address label with your name on it on the front of the tool box.
